### **Notice to Parents/Guardians**

As a participant in White Mountain Youth Leadership, your son or daughter may be asked to help with the evaluation of the program. Twice a year we conduct an evaluation to tell us how well the program is working. Your son or daughter may be asked to complete a written survey about what he or she may have learned from participating in the program. We estimate that it will take the youth participants approximately 10 minutes to complete the survey.

Youths are not required to participate in the evaluation. If your son or daughter decides that he or she does not wish to participate, it will not affect his or her participation in this or future WMYL or University of Arizona Extension programs. If your son or daughter does not want to answer some questions on the survey, that is okay. The survey responses will be anonymous, and your son's or daughter's responses will not be identified in any way.

If you do not want your son or daughter to participate in the evaluation of White Mountain Youth Leadership, please contact Meckenzie at (928) 532-4047 or [mhelman@ag.arizona.edu](mailto:mhelman@ag.arizona.edu) before our evaluation periods in May and November.

Sincerely,

Meckenzie Helmandollar
